

Cody Hillhouse

April 23, 2000 - August 26, 2020

With deepest sorrow we announce that Cody Hillhouse born on April 23, 2000, Age 20, our beloved son, brother, grandson, nephew and best friend passed suddenly on Wednesday August 26th 2020.

Those who knew Cody, even just a little lost a shining light in their lives.

Cody will be missed greatly everyday by his father Brian Hillhouse, his brother Brayden Hillhouse, his loving aunts, uncles, cousins and many many more.

We know Cody is now at home reunited with his mother Amanda Hillhouse, grandma Carolyn Hillhouse, and his grandpa William Hillhouse and is loved here on earth as well as in heaven.

We love you son! Guide us home. Until we meet again.

For we know that if the eathly tent we live in is destroyed, we have a building from God, eternal house in Heaven, not built by human hands.

“ Cody I was around when you came into this world. I never knew how much that time
meant to me until recently. You were a blessing for all of us. You brought us so much
joy and happiness from time you took your first breath. I am so sorry I did not get to
see you much after you moved from Arkansas. You may not be where I can
physically hug you but I will always carry you in my heart and you will always live
through me. Love you, Shannon

“ God has a way of taking his most important Angels even when it tears at the hearts of those around him who truly love him. So rest assured Cody is bathing in the glory of God with all of our Loved ones who have passed . Don't mourn for his passing but celebrate his life to show him how special he truly was . Love you lil buddy you shine bright and lead us all to the almighty thrown of the Creator and shower us with his praises . God bless and love you

“ Brain, our hearts was so broken to hear about the passing of Cody. We will never understand why these things happen, we just have to trust God's plan. The pain from the loss of a child cuts deeper than any other pain. Just know we are praying for yall, and we are only a phone call away if you just need to talk. Our house is open to yall if you just need to get away. Love yall.

“ Brian and Brayden,
Words cannot express how you must feel. We wish there was a way to help with your pain and bring you comfort. We know Cody had a close bond with the two of you. You guys were always a great trio; always laughing and having a great time together. We are so sorry Cody's pain and emotions from issues of the past have taken him away from you. We wish we could be there to help say goodbye, but know it's not goodbye; he will always be with you.
Love,
