

John S Miller

January 10, 1928 - April 18, 2020

John Swanson Miller, 92, entered the kingdom of heaven joining his late wife, Johnnie Dee, on April 18, 2020.

The long-time Bartlesville resident was born the only child to Fred and Emma Miller on Jan. 10, 1928. He grew up and went to school in the Swedish community of Smethport, Penn. His parents were both Swedish, his mother, an immigrant of Sweden. He played sports throughout high school and grew up attending the Lutheran Church. Though he grew up during the Depression and little money was to be had, he wanted to attend college. After high school, he served in the Navy and attended Penn State University for one year and then finished his degree at Marietta College in Ohio with a degree in petroleum engineering.

He interviewed and was hired by the Bureau of Mines and moved to Bartlesville. It was on a blind date that he met Johnnie Dee Kampert. He thought the Kansas girl was pretty cute and they eventually married Aug. 6, 1954. The couple was blessed with three daughters, Kathy, Cheryl and Kristina. It was important to the Millers to teach their daughters, good ethics and morals, and the value of a college education. He was extremely proud that all three daughters graduated from college. In addition to his work, John was involved in the community with the Salvation Army and in his church. He was a talented woodworker and built most of the home they lived in on Lester Street as well as all the garage and estate sale finds Johnnie brought home. Following his retirement from the Bureau of Mines, he went to work part-time at The Elks Lodge as secretary for many years.

The Millers enjoyed the out of doors frequently going camping and to the lake.

John and Johnnie also enjoyed a host of friends, they called "The Group" and enjoyed many outings, trips, social events at the Elks and spending holidays together. He was known to always joke around and give people a hard time even in his last days at the nursing home.

John and Johnnie were extremely involved in the Bartlesville Elks Lodge, John serving many roles on the ritual team including exalted ruler. He was a ritual coach for many years and served as state drug chairman.

In later years, they enjoyed traveling and went wherever and whenever they could to far-off destinations.

The couple's three daughters were his pride and joy as well as his grandchildren and great-grandchildren.

John was preceded in death by his parents; his wife; one grandson, Jeremy Beau King and a host of friends and family. “ John was my father’s younger (by 11 years) cousin and my brother’s godfather. When I didn’t hear from him this holiday season I thought I would find this obituary. I have fond memories of our life in Pennsylvania. John is 15 years older than me but I remember the joyous person he was.

“ I am John's cousin, so sorry to his daughters for your loss. John & I used to call each other at Christmas time. We would take about the Swedish Christmas that we would have growing up all the Swedish traditions of our grandparents and the rest of our families. They were the best of times. I will miss our Christmas chats. He was such a nice person. Love, Valjean

“ I worked with his daughter, Kathy Ellis. She was a hard worker. We served on a long time committee together. It was fun spending time with her. My sympathy goes to Kathy and her family in the loss of her dad. We are never ready to say goodbye to our parents. I pray for their comfort and joy only GOD gives.
