“ Norma Jean was a life long friend of my mother, Edna Allee. After Mom moved to Massachusetts, Norma was her Oklahoma reporter keeping her up to date with people in and around Quapaw. In February 2015, she helped me plan Mom's funeral making local contacts for me.
As Norma and I talked from time to time she became my Oklahoma reporter. Mom appreciated her friendship and I appreciated her continued support.
My condolences to David and family,
Karen Allee Stanton

“ Several years ago, Norma accepted the challenge of teaching me and two other ladies to play bridge. This was done with lots of love and patience. (Lots of patience!!) Norma was an excellent bridge player and will be missed. Marie Thomas

“ Norma was an example of a Christian lady who was faithful to the LORD and an inspiration to all who knew her. She could be found every Lord's Day on a certain pew in the same area of the church. Until recently, she drove her car to church and someone at the door would park it for her. More recently she could be found riding with a friend. She was particular about how she looked and dressed and never a hair out of place. She raised a fine son who was devoted to her and came from a great family. Norma will be missed but I'm sure she is where she planned her life to be, in the presence of her Lord Jesus Christ. Rest in peace, Norma and we shall soon see you again. May your family be comforted as they carry on without you.
