

Alicia Leann Williams

November 20, 1969 - September 2, 2020

Alicia Leann Williams, 50, a resident of Fairland, Oklahoma passed away on Wednesday, September 2, 2020. Alicia was born on November 20, 1969 in Joplin, Missouri to Donnie Wayne and Patricia Louise “Patty” (Dodson) Baker. She graduated from Wyandotte High School with the Class of 1988. She then went on to attain her Associate’s Degree from NEO A&M College. Her degree is a surgical tech, but she was able to work in an area of health care she just loved. The joy of her life was working in the OB Department at Mercy Hospital Joplin helping deliver babies. In June of 2001 Alicia married Terry Duane Williams in Eureka Springs, Arkansas. Alicia enjoyed soft ball, but she was a fantastic caregiver and would work the night shift to be with her kids. Her children were her life.

Those who will share her memories are her husband Terry Williams of the home, her son True Williams of Fairland, her daughters Sarah Berkeley Williams of the home and Jessica Katherine “Kate” Williams of Grand Canyon National Park, Arizona. Other survivors include her parents Don and Patty Baker and her sister Teena Greenfeather and her husband Jeff.

“ I will never forget the times Alicia, Erin and I would go to 5 mile together and have such a good time sitting in the tubs and laying out just having a good time listening to some good music drinking our beer. She was a special part of my memories and I will always remember her for that. I am truly sorry for your loss you are in my thoughts and prayers.

“ Baker was one of a kind. She never called me by my first name, it was always “Joey”. Her smile and laughter could brighten up even the gloomiest of rooms. Baker and I have been friends since high school. It didn’t matter how much time had passed since the last conversation, it was just us. We made many memories together, some ornerier than others but we always had each other’s back. I remember her saying when she grew up she wanted to be a beach bum. Well Baker, kick off your shoes and enjoy the sand! Love ya girl!

Well said Lisa! It may have been over 30 years since her Lady Bears days, but her infectious smile and goofy demeanor will always be with us! She is a treasure! Coach Cox

“ I worked with Alicia for many years and she was my friend. She always made me laugh and was full of pranks. There are too many funny stories to tell! She was also very kind and thoughtful. She brought me tons of clothes and toys for my granddaughters. We worked on family history together and she was convinced she was related to Princess Scentflower. I think it turned out to not be true but it was fun to think it was. We laughed a lot about it. She would have made a great princess, so tall and beautiful. I loved her dearly and will miss her more than I can say.

“ Alicia was my first friend when I moved to Wyandotte. We rode a lot of horses, tromped through a lot of woods, and stole a melon or two from Mrs. Heckathorns garden (I found out years later she knew and thought it was funny to watch us try to be sneaky). Alicia was a kind soul and I'll always be grateful for the time I was able to spend with her.
