“ I remember living next door to her. She was always so helpful o enjoyed talking with her. Me and her daughter were good friends so I seen her a lot. Very sweet person.

“ My memories of Alma bring a smile to my face ... I'd call and she'd answer I didn't do it .. and I would always say But you were thinking about it... Wish we had had more time to visit and swap recipes ! Alma came back into my life after my mother (Fredia Hall) passed away .. I called her my guardian angel that got me through the rough days ... My thoughts and prayers are with her family and know she is watching over all of us .. Her memory will live on in my heart forever ...
