“ I knew you from Jr. High into high school and then reconnected during college. We once again became close friends for many years. I watched your children grow along with my own. I will cherish those years of friendship and always hold you and the kids close to my heart. We shared so much fun and laughter, sadness and tears over those years Anita. Jeremy, Savannah, Sandra, Johnny, Pam , your grandchildren along with your nieces and nephews, please know my heart goes out to you along with prayers for comfort during this difficult time. Anita, give Keith a big hug for me as you are reunited once again forever. Rest in peace my friend!
