“ *Aunt Ann blessed our lives with her warm caring personality and cheerful disposition. I shall never forget our visits during our family vacations. She was the ultimate host! Her family was her passion, and she will always live in our hearts and memories. Tommie, David, Janie and Angie, I am saddened by your Mom's passing. I am comforted, however, because I know we will all be together again when we return to our Heavenly Father's home. My love to everyone! Jim*

“ *So sorry for your loss! Always loved to hear David tell stories about Anna. How things had to be a certain way even in her 80's at that time.*
