

Anna Mae Gibson

January 14, 1940 - September 5, 2024

Anna Mae Gibson passed away at home on September 5th, 2024, surrounded by family. She was born on January 14, 1940 in Delaware County, Oklahoma on Beaty Creek to Dolly Dickson. She was raised by her beloved grandparents Sadie and Orlando Dickson. She grew up on the banks of Beaty Creek, where she fished, caught crawdads, gardened, and picked berries with her grandparents and cousins. She was especially close to her cousin Wayne.

After graduating at the top of her class at Jay High School, she attended college in Tulsa and began a career in accounting. She moved to Denver soon after, where she met the love of her life, George Gibson. They soon married and started a family in Denver. They soon moved back to Delaware County with their five children: Jim, Judy, Joni, Justin, and George.

She was a devoted Denver Broncos fan. Anna and George were season ticket holders for many years, and she remained a fan through good years and bad.

Anna and George spent several good years with their family, including children and grandchildren, on a farm in Wyandotte, Oklahoma. She was a true matriarch of the Gibson family and brought everyone together often.

After retiring from the farm, Anna and George moved to Grove. Anna began a very successful career in real estate, landing the title of top seller in the area

for Century 21. Several decades later, Anna is still remembered fondly by clients and colleagues.

Anna enjoyed fishing and spending time with her family. She loved catching up on her favorite TV shows with her family and talking by phone daily with her loved ones who lived far away. She loved watching her grandchildren and great-grandchildren play and participate in sports.

Anna lived a life of service to her family, her friends, and her church community. Above all, she loved her family. Her children, grandchildren, and great-grandchildren never doubted her love for them. She cheered on their efforts and never doubted that any one of us could do amazing things.

Anna leaves behind a wonderful legacy of love. She is preceded in death by her husband George Clifford Gibson Sr. and her son, George Clifford Gibson Jr. She is survived by her sister, Laura Christine Douglas (John) and her children, Judy, Jim (Sam), Joni, and Justin (Tammy), and her grandchildren Jessica, Zach, Ashley, Meghan, Josh, Jed, Bryce, and Anna. She is also survived by her great-grandchildren Bearen, Lucy, Josi, Georgie, Noah, Benjamin, Maya, Arthur, Penelope, and Frances.

Her family extends their utmost gratitude to Carol Philpott, the Relief Society of the Church of Jesus Christ of Latter-day Saints in Miami, and Good Shepherd Hospice.

A visitation will be held on Friday, September 13 from 6-8pm at the Miami Church of Jesus Christ of Latter-day Saints building. Her funeral will be held on Saturday, September 14 at the same location at 11:00 AM.

Friends and family may send the family notes of encouragement by viewing Mrs. Gibson's Tribute Page at www.brown-winters.com.

“ Oh how I love Anna. I loved being her friend. She told me so many stories about her boys, wow!
She loved them fiercely as only a mama can. Visiting her off and on to the last few months was amazing for my husband and I. She was so looking forward to going home. She had a wonderful attitude. And she was a very good example to me in a lot of ways. I hope I can be half the woman she is.
I couldn't believe how her mind was so sharp for having Alzheimer's. She probably told me stories that the boys wouldn't want me to know, but they were so funny and some not so funny. But they were memories from a mama's heart.
Enjoy your new home Anna with all your loved ones that you've missed for a long time.

“ I remember knowing Anna when I was a youngster running around Beatty creek with the boys (Jim, Justin and George). They lived up on the highway from us and I spent a lot of time with them. Anna was always nice to me and always let us know that Wayne was her brother and how she protected him. I did not understand how this would affect me personally until my son Brady came along many years later. Anna was like a second mother as I grew up and went to school with her Boys and Girls. When she needed to get after us, she would do it in a positive way and make us feel bad about what we done instead of just yelling at us. I will always remember her smile and genuine caring for all of us as we grew up together.
Anna could out fish me by a long shot!!!
Anna will be greatly missed by the Tanner Family and thought about often.

“ *I first met Anna when she was our Realtor and sold us a waterfront cabin in 1995. She had such a good sense of humor. Then got to know her better when I became a Realtor at C21 in 2002. She was always helpful and encouraging. Many times thru the years sharing stories filled with laughter. But a favorite memory is the wedding present she gave me for my 2nd marriage. And the ornery/gleeful look and smile when I opened it! Anna Mae, you will be missed!*
