“ Annie was so much more than just a sister to me. My best friend, and sometimes even a mother. I was so blessed to have been in her life these last few years.
I took her out as often as I could or visited. Always got her a cherry vanilla lime aid her favorite drink. I included her in holidays, birthdays and BBQs. We all loved her and loved hearing her stories. Her laugh was so infectious. I will be so lost without my precious sister to talk to everyday.
I miss you Annie Fanny and I love you with my whole heart.
Your sister Eddie
