“ My memories of Argel come from seeing him and talking to him at Hope Christian School, where his granddaughter Alicia was in my class.  
Argel always had a smile and kind word. When doing work to improve the school he always was smiling and joyful even when things didn't seem to be going right.  
He was always friendly and i am glad i was able to know him. He was definitely a man of God and truly had a kind and loving spirit.  
May God bless your family in your loss and may His angels and love surround you in the days ahead.

“ *I will always remember him walking down to the fish cleaning house at Oak Lodge in Minnesota. He was wearing the bowl to put the fish fillets in like a hat. Good times and memories on Lake Lida.*
