“ *The first time I came to visit my grandparents in Fairland was in the early 90's. My grandma picked me up from the airport and as soon and before we even headed to her place she took me to the Diary Queen where I met Audrey. My grandmother adored her and so did I. She was the very first person I had ever met in Fairland. I would eventually move out there to go to school and she never forgot meeting me the years prior. She was always so very kind. I really came across her obituary by total chance tonight as I have been gone from that area for decades. As soon as I saw her photo, I was filled with memories. Sending my best to all that loved her. God Bless!*

“ I met Audrey as a 15 year old girl. I've eaten many a cheeseburger and drank so many malts! I've not had a good malt or flavorful cheeseburger since then. We hung out at the Dairy Queen and dragged main. She always talked to teens and I felt like she really listened to me and cared about me on a personal level. She shared her life with so many of us. I'm quite sure she gave free food to kids short on cash. She was truly God's gift to all of us! She will be missed and i look forward to the day when i will see her again!

“ Thank you Audrey Boyer. You and your beautiful family home allowed me to experience my first lava lamp. How mesmerizing for an eight year old! Who would allow a family a pet skunk? Only you! Who would make Donna a beautiful, princess outfit, when I really thought I looked good as a hobo. Only you! OK maybe she was cuter! Who would allow her girls to paint their bedroom black & white? Only you! Who always had the prettiest decorated pie boxes for our pie suppers? Audrey's girls! Just so you know--my Daddy bought mine! What a blessing to this world you were. My condolences to the family. Heaven gained a good one!

“ Audrey was one of the kindest people I have ever known. She was blessed with a long wonderful life that she created, a beautiful caring family & wonderful loyal friends. Those that knew her were blessed because they did & we number in the hundreds. She was such a wonderful role model & what a beautiful legacy. I feel so fortunate to have been influenced by her.
