

Barbara Jean Booth

September 20, 1931 - December 8, 2021

Barbara Jean Booth passed away at the age of 90 on December 8, 2021. She was surrounded by family at her home (overlooking the Neosho River) in rural Fairland, Oklahoma. She was born on September 20, 1931 in the small town of Tri Mountain in Upper Peninsula Michigan to Richard and Aunie Carlson. As a young adult Barbara moved to Southern California where she would meet her husband, lifelong partner and love of her life, Tony Booth. They married in Hollywood, California in 1953 and moved to Oklahoma to enable her husband to attend the College of Pharmacy at the University of Oklahoma. After his graduation they moved to California where her husband's career as a Pharmacist and small business owner flourished as did their family. Together they had six children.

Barbara stayed busy raising the family and working in the family owned drug stores in McCloud and Fall River, California. After her husband's retirement the couple returned to Oklahoma, living in Miami and rural Fairland where she lived the remainder of her life. Earlier this year the couple celebrated their 68th Wedding Anniversary.

Barbara was fun loving and loved to travel. She was kind, gracious and loving to everyone she met. She was a joy to know. Family meant everything to Barbara and she cherished time and memories created through the years with her children, grandchildren and great grandchildren. She was the anchor and glue to her family and a devoted wife and mother. She was active in the American Legion Auxiliary, Pilot Club and the Homemakers Club.

Barbara was preceded in death by her parents Richard and Aunie Carlson; a son, Jim Booth; granddaughter, Cierra Yates and her brother, Robert Carlson. Those who will share Barbara's memory are her husband, Tony; her children: Michael Booth (Chris), Bill Booth (Penny), Tena Booth, Terri Calvin (Todd) and Mya Liberty; her grandchildren: Aaron Booth, Brandy Booth, Melinda Brenes, Nathan Booth, Troy Booth, Zac Booth, Haley Booth, Sarah Smith, Bethany Birkenbuel and Amy Francis. Also surviving are her great grandchildren: Morgan Booth, William Long, Owen Yates, Gracie Yates, Joseph Yates, Adrian Brenes, Isaac Brenes, Lucas Booth, Daniel Booth, Mackenzie Booth, Brooklyn Knox, Kaylin Knox, Sophia Francis and Vivian Birkenbuel.

A small memorial service will be held on Thursday, December 16, 6pm at Brown-Winters chapel in Miami, Oklahoma. Friends and family may send the family notes of encouragement by viewing Mrs. Booth's tribute page at www.brown-winters.com.

“ *Barbara was such a sweet, caring person. She always thought of everyone!! She always sent me Son-in-law cards and Birthday cards, and I'll never forget that. She always made me feel loved as one of her own.*

“ Grandma,

When we moved 9 years ago you were one of the only family we had out here. Being away from our other family members and friends was difficult, but through your generous love and support you eased a lot of that hardship. I owe a tremendous amount of where we are now to you. I am extremely grateful we were able to create many more memories together by being closer over the past 9 years. Even though more of our family and friends have journeyed and settled here at the present, it will never be the same without you. We all love you and miss you dearly. I know its not goodbye forever, just for now.

Barbara, Tony and family,

After looking thru so many of your photos it just astounds me of people youve met, places you lived, family that surrounded you, and friends, that you have really made this a personal connection for me. Your photos are so much like my growing up years, Mainly memories of my parents, places I have seen and that special love Ive witnessed. This has always meant so much for me and my healing , you see my parents went with god many years ago.

I can attest to this, about your family. It has a way of drawing ones self into comfort. It must be the good nature, positive attitude, good laughs and Tony's Clean Living that pulls the onlooker in. It is LOVE. A love of Life itself. I thank you both and especially Barbara (That super "Yoooper" Michigan friend of mine) for including me and reminding me of the importance of family. Between the military connection, California, Michigan, Oklahoma, and critical thinking in this experiment we call The "United States of America", how could anyone ask for a better relationship of friends and family.

I know our two families have a forever connection with the similarities until the end of time, and in the here after. God bless your family and I will certainly miss Barbara. I am awestruck of what a fabulous family she raised as a mother and your wife Tony . What a loving caring lady I can look forward to meeting again.

Behind every strong Marine there is an even stronger woman, even if so in spirit " Forever Faithful ". Who stands behind him, supports him, and Prays for him. Shes all around you Tony, your family and your friends.

Tony & Family if you need anything

" At the drop of a hats notice "

Your friend,
