“ Mrs Barbara, was my favorite person in the whole world, not just because she was a female version of her youngest brother Lonnie chambers ,just because she was such a loving, caring, giving beautiful soul! She always loved me as well as I did her, and was such a great listener when I needed that 1 true friend. Every visit my children & I made to her home was always with open arms and joy of fellowship! The conversations were priceless! The memories, and wonderful time we had when we was with her she left me i will never forget. My heart is heavy and I was sadden when I received the news of her passing, but I knw deep dwn inside she gonna watch over me and keep guiding me thru the rest of my life's journey. You will truly be missed by me & my children..... Love Erica! Uncle Bill, we send our love & prayers your way!
