“ *Scott, Curtis, and family members. My fondest memory of Beebe was the fact that any time I saw him, he was always pleasant and smiling. My parents went to school with him and always had nice things to say about him. I know he will be greatly missed by you and by many more lives that he never even knew he touched. May you find comfort in knowing that heaven has been enriched by his presence. Gods grace is sufficient. Respectfully, Terri (Wood) Cox*

Terri, Thanks for the kind words. He is missed and on our minds a lot. It's comforting to know that he is where he always wanted to be. Curtis and I are on Facebook if you ever want to look us up. God Bless!

“ Judy, I am so sorry for your loss. Though we were neighbors for only three years, we thought a lot of you and Beebe. You both were so kind to Brandi and Kyle. I know that was probably not always easy. I told Brandi last night about Beebe and she was very saddened. Beebe will always hold a place in our heart. Our thoughts and prayers are with you.

“ Judy, I am so sorry for your loss. Though we were only neighbors for 3 years, we really thought a lot of you and Beebe. You both were so kind to Brandi and Kyle, I know that was probably not always easy. I told Brandi last night about Beebe and she was so saddened and wanted to be sure that I let you know that you both had a lasting memory for her. We will always think fondly and have good memories of Beebe. Again, so sorry for your loss.

“ I will never forget the time that all the Blands went camping for a week on the Illinois River. After Beebe had his tent set up, I looked over at his truck and he was unloading a roll away bed. He might be camping out for a week but he was going to sleep in comfort. What a Beebe! I will never forget the last visit Charles and I had with him. I can only imagine what it was like when he entered the gates of heaven. My prayer is that will comfort my sister Judy and her family.

“ I have known Beebe for a long time he was one of the many classmates we had at Commerce High School. We started going to school when we were 7th graders. I came from a small town of North Miami Commerce was larger and the kids scared me to death. But in class they tried to keep going with jokes and up roar but it was a good thing , So sorry for your loss. We will keep you in our prayers. May God Be with You and your Family.
