“ We remember the huge pie carrier, filled with her homemade,
delicious pies that Bernice would bring to the bank in Fairland, and
the big, warm smile that was always on her face. Such a sweet lady!

I met Bernice one time when she was about 15 years old at Seymour, Mo. Having known Her Mother and Father for over 65 years, I know what kind of void she must have made leaving this world to go to her Everlasting Home, prepared for just her, by her Savior Jesus Christ! I want to extend my sincerest sympathies first to my long time friend her Father Elmer Beachy. To the rest of the family You will miss her more as time goes on, only because you know you are getting closer to the time you will meet her again, I know, it was 69 years ago the 17th of last month my Mom and Dad left this world on the same day and I know it will be only a few years until I will see them again, and it will be worth it all, just to See Jesus Face to Face and then say Good Morning again to Mom and Dad!

God Bless and comfort you!
