“ *Such sweet memories of this beautiful lady and her family.*

*I remember card parties at their home with the youth from Ottawa Baptist Church and a watermelon feed at their home as I was growing up (not sure but the watermelons were likely grown in her garden). We ate sweet summer watermelon till we thought we would pop.*

*I remember sitting under her teaching as a youth in Sunday School at Ottawa. She knew her Bible well. One time I posed a question to her that she could not answer off the cuff and she told me she did not have the answer but she would look it up and get back with me, and she did.*

*I know she is face to face with the Lord and her faith has become reality. My prayers are with you Connie, Clint, Peggy and all of the rest of the family.*
