“ Claudette and I want to express our deepest sympathy and prayers to the Honeycutt Family. We are very fortunate that Lloyd is also a member of our family. Now that you have joined Nita and my Mom in the spiritual world, the two of you are able to share stories of your children. Our Moms are not physically with us, but their memories and love always surround us.##imported-begin##Dan Fox##imported-end##

“ I don't know if you will remember me. My mother was Helen Patton, who was Bertha's roommate at the nursing home. Mother enjoyed her so much. I am sorry for your loss. My Granddaughter works out at the nursing, she called me about Bertha's passing. She said she always enjoyed helping Bertha. I know she will be missed. Time is a good healer but it's been almost a year since Mother went home and we still miss her so much. You are in our thoughts and prayers. Mary Watts###imported-begin##Mary Watts###imported-end##
