“ I was so very, very sorry to hear of Betty's passing. I've know her for several years after working with her on the Relay for Life committee. We had so much fun doing that and we had a close bond because of it. I will miss her so much and miss talking to her on Facebook. I will miss her dearly.

“ Rest In Peace Betty. I will always remember your Mom and my sister being good friends and we would get to play together along with Carol, Curtis and Belinda. Then being in Jr. High and High School together.

“ I have many great memories of Betty as we grew up only a block from each other, going from my house to hers, laughing, playing, skating, going to school. As I am sure many of us do, looking back at our early days of growing up, remembering the fun times we shared. I am sorry for your lose. Karen Robertson Painter
