“ *I first met Betty in business class at Miami High School after she had transferred from Wyandotte Schools. We “ran” with different groups but I valued her friendship greatly. I actually didn’t realize that she was new to MHS until we met at Leonard and Delores Smith’s residence shortly before we became sisters in law. I enjoyed this relationship and her friendship for many years.*

“ *I worked at Wyandotte School and knew Betty as a professional and a friend. She was in a tough job and always held her own. Her intelligence and good heart always lifted my spirit. May we meet again on the Golden Shore with our Savior. John H.*

“ *As one of Betty's neighbors, I will miss her waves and visits (which were not often enough). My front yard was just across the street and in full view of her back yard & vice versa. Anytime she was out (she had a dog, sometimes two, to let out a few times a day) we'd always wave even if I were passing by in my car. We were neighbor watchers and kept an eye out for problems which seldom happened but did a time or two. Smiths have lived in her house since before I moved into the neighborhood. She will be missed by her neighbors. May God help comfort the family is my prayer. Verda*
