“ *I have so many fond memories of Betty during our years at the Miami Friends Church. She was such an inspiration because of her sweet and gentle spirit. She was always so kind to my grandmother, Musa Kreeger, who worked for your Dad at M & S Van and Storage. Please know that I am remembering you all in prayer.*

“ I love Betty. No matter how bad she felt or how weak she was when you asked her how she felt she'd say she was fine. And I loved watching her with the little ones. She always talked about how much she loved Joe Dan and Kriss and she would say not just them but all my kids. She didn't want to ever leave anyone out. Just a sweet sweet lady. My heart goes out to all of the family. I will miss her also.
