

## Beverly Kay Grover

April 7, 1944 - January 20, 2022

Beverly Kay Grover, a longtime Miami resident, passed away on Thursday, January 20, 2022, at Miami Integris Hospital. She was seventy-seven. Beverly was born on April 7, 1944, in Coffeyville, Kansas to Earl Douglas and Jewell (Kemmerer) Marlow. On August 9, 1962, she married her high school sweetheart, Jim Grover. She and Jim moved to Miami in 1967 and have been an integral part of the community ever since.

The Grover family was active in the First United Methodist Church in Miami where Beverly sang in the church choir and served as a communion steward for many years. She was also involved in the Methodist Women and was a longtime member of the TNT Sunday school class. She loved NEO Basketball and participated in the NEO Women organization, for which she served as president several times.

After raising her children, she went back to college in her early fifties, completed her degree to become a registered nurse, and began a career that was deeply meaningful to her. Beverly touched many lives in her role as a nurse, leaving a lasting impression on those she worked with and the patients she cared for. She adored animals, and after her retirement, she volunteered for many years at a local animal shelter in Miami.

Beverly was remarkable for so many things, but especially for her displays of

love and appreciation for her family and friends. She had a way of making people feel special, showing her interest in the lives of those around her. She loved sunshine, working in her well-manicured yard, tending to her flowers, watching the hummingbirds that visited in the spring and summer, and the martins that chose to make her backyard their home. Nothing brought her more joy than being with her family and attending her children's and grandchildren's activities.

Those who loved Beverly the most are her husband of fifty-nine years Jim Grover, her children, Jamee Combs and her husband Tim of Inola, Oklahoma, Dr. Kenda Grover and Dr. Tom Whiteside of Fayetteville, Arkansas, Darin Grover and his wife Courtney of Durant, Oklahoma and Dr. Dustin Grover and his wife Elsie of Miami along with her grandchildren Ryan Combs, Derek Combs, Carter Combs, Sydney Grover, Case Grover, Isaiah Grover and Gia Grover.

Mrs. Grover was preceded in passing by her parents Earl and Jewell Marlow and a sister Delores Walker.

“ *I am so sorry to hear of Beverly's passing. My mom was Carol Morris, and she thought the world of Beverly. She was so excited for the twins, and enjoyed watching them grow. She was very proud of her when she became a nurse. Looking at all the doctors she leaves behind, she clearly gave you all the care and compassion focus. I know you will all miss her terribly- you are in my thoughts. Kim Morris Tuck*

*I love being around Beverly! She was a blast in dancing. We practiced in her garage and we laughed more than we danced. Beverly was so kind, funny, and loved her kids so much! Jim was usually the first word that came out of her mouth. She always had something to say about him. She adored him. Sad to lose such a great person. She will be missed by many. “*Dear Jim & Family, I will always remember Beverly as a faithful worker in our church. She (and you) faithfully took care of communion services for a long time, carefully preparing the elements. Beverley and I taught Sunday School for several years with the children (4th, 5th and 6th graders) and had lot of enjoyment. So many of our times together involved our children and friends. Cooking together for Easter and other all-church dinners also stands out in my mind. Our last big endeavors involved keeping the church parking lot on the SW corner across from the sanctuary about 10 years ago. It was hot but happy. Beverly was a wonderful friend and person. My love to you all. Charlene Lingo*
