“ Some of the best memories, for some of us older grandkids, of Grandpa Bill have to be riding that lawnmower, watching all the Jaws movies all piled up in the room between the garage and the stairway in the house in California, endless amounts of times his teeth ended up in our hands, waking us up early to sneak us off for pancakes and having to read the street signs for him along the way 😭. He, his laughter and beautiful smile will be missed, but I feel oh so grateful to have had him as my Grandpa.
