“ I am so sorry. There was only ONE Uncle Leroy. What an absolute treasure of man. From Donald Duck, Gabbard shenanigans, game nights, & talking around the table. Sending so much love to our OK family.

“ We moved in across the street from Billy and Jackie in 1999. Our kids grew up here with them in our lives since. They always were on the porch greeting us with smiles and waves. My fondest memory is when they would always setup in the yard for kids fireworks displays. Always with big smiles. We send our warmest thoughts and prayers to the family.

“ *I love you Uncle! My uncle quack quack. He always spoke to us kids with his duck voice. We would beg him to do it almost everytime he spoke. My mamma sure did love you. I know yall are together now. All of you!*
