“ Billy was my Board Chair when I opened Route 66 Health Center. We became great friends and I spent many hours having coffee with him on the patio. He was amazing with woodworking especially bird houses which his wife loved. He looked forward to having Janice stock his freezer and enjoyed homemade biscuits. He was a great husband, father, grandfather and friend. I will miss our calls and his answering with. Sir Patrick of Peer, Top of the Morning to ya. God bless.

“ Billy Mac was a pillar in Afton. I worked with him for a number of years on projects for the betterment of Afton. He was the kindest, most humble, and smartest person I ever worked with and he will be greatly missed! Afton and the surrounding community are what they are now because of Billy Mac's guidance and tenuous work. Prayers to his family and all who knew and loved him.
