“ Bobbie was an impressive, wonderful person who lived a full and valuable life. She was a very positive role model who always made everyone feel important. Back in the mid-1950s, my family moved to the Afton area from west Texas (Hereford) about the same time as Bobbie and Tyson made the same move. This probably contributed to my siblings and me viewing the Eubanks more as family than just close neighbors. Bobbie made the world is a better place. God bless you.
