“ Mom, you were the most extraordinary person I'll ever have the pleasure to know. You were my rock, my mother, my best friend, and my teacher. You were an outstanding grandmother to my children. We miss you everyday and it still seems like we are going to wake up and this had all been a bad dream. Thank you for EVERYTHING you did for me, Cody, and the kids. No one will ever be able to live up to you, your strength, or your ability to love your family with all your heart. If I'm lucky I will some day be half the person you were. I'm blessed to call you my mother. We love and miss you so very much. I will do as you asked of me and make sure dad is taken care of. ;)

Love you forever and always!

“ *The last time I saw Bonita was at Walmart, I thought that she looked frail but had no idea that she was ill. I went to NEO with her back in the day, and was also a part of the Norse Stars Drill Team, she was an exceptional person then and from what I have read in previous tributes, she excelled in all that she accomplished in her life! My sincere condolences to all of her family and friends.*

“ *Bonnie was unique in that what ever she did she did with enthusiam. A great wife to Donnie and a wonderful supportive mother to her children. In fact we would act as if Donnie and Bonnie was one word because they were that close. In 2000 Carol and I traveled to all the home games with Donnie and Bonnie and Bonnie was the best she always made you laugh and loved OU. Bonnie will be missed by all of us who knew her. And we pray that our God will be with you all during this time. Dale and Carol Owens*
