“ *DeAnna and Presleigh, my heart goes out to you. I am so sorry to hear such sad news. Having lost a child myself, I know the terrible heartbreaking pain that you as a Mother are feeling and having had kids that lost a sibling, the loss of sharing so many things with your brother. My thoughts and prayers go out to you in your time of sorrow and DeAnna if there is anything I can do, please don't hesitate to call.*

“ I'll forever miss our talks and Skype calls. I'll miss you picking on me and spending hours on the phone talking about everything. I'll miss our fights we had over stupid things. I'll miss waking up to a phone call from you just because you couldn't sleep. I'll just miss your voice. RIP B.

“ My thoughts and prayers go out to Brad's family at the this time of  
his passing. I went to school with him in Middle School and High  
School at Afton. We played on basketball teams together. He was a  
great guy to be around. He was also a student at Fairland when my  
mom (Susan Boyd) worked over there.
