“ *So many memories....I can still hear her voice...I will never forget the fun times staying up late watching movies (she always fell asleep lol) and Brenda fixing us some awesome snacks.....she loved to cook. And our big trip to California to pick up Grandma....no matter what we were doing it was always a blast because she lived for having fun...she loved me and my brother Derek like we were hers. Always there for us and giving us "melvins" :) my kids loved her so much...we had an awesome time when we stayed with her in Tulsa and went swimming at the hotel. She made every moment special for Emilee and Kacen. It was especially awesome when her and the kids surprised me with a rainbow cake at the hotel and attacked me with silly string. So many memories I could go on and on....We love you so much Aunt Brenda....have gun playing skip-bo and marbles with the family in heaven. Xoxo*
