“ I spent many days with my cousin Brian at Grannie Laue's home. He was a very ornery child and a few years older than my son. Brian always wanted to be a cowboy and I was constantly getting on to him for roping my son like he was in a steer roping event. It's a miracle my son survived. As he grew older and I was still around NE Oklahoma visiting my parents it always touched me how much he admired and cared for my father. He would call him every evening and I guess Brian always had a lot to say since the only thing I would hear my father say is yeah or an occasional Okay. I will always have the uttermost respect for him and the amount of love he had for my dad. I know his later years were very difficult for him and I pray for healing for his children and family during this difficult time. Rest in peace Brian. You were one in a million! Love Leann-Laue/Goff
