“ *Dear Carolyn, Robbie and David,
I am so sorry and sadden for your loss. I just can't stop thinking about all the junior high, high school and life guarding memories I have with Cale. He certainly knew how to keep everyone smiling and laughing. His life was way too short but I hope over time your fond memories will bring you peace and you can treasure them forever.

“ When ever I think about my brief 2 years at Miami High School, Cale is one of the people I remember first. His outgoing personality and general love for life and the moment were infectious. He welcomed you and treated you as a life long friend, just like his older brother Rob and I will never forget that. Please accept my deepest sympathies and know that your loss is being felt by all who knew him.

“ *Gilstrap Family,*

Words like condolences and sympathy just don't seem effective in expressing my feelings for your family. I truly hope you find peace and healing during your time of grieving and pain. While I didn't know Cale, I do have fond memories of the Gilstrap family and feel fortunate to have been acquaintances during our high school years. I'm in Jenks and if there is anything I can do for you, please give me a call.

Many Regards,
