“ My heart goes out to her family and friends. She was the mother of my very good friend, Jeanie, growing up in Commerce OK. She always made me feel welcome and part of the family the many times I was in their home, took trips to the lake property, spent the night, attended church with them, and on and on I could go. She was "another Mom" as were most 'Moms' in the small community I grew up in. These memories bring tears to my eyes and a smile to my face. May our God and Savior be glorified by the life she lived and the heritage she leaves behind!

Love & prayers to all,

“ She was a joy to get to know and she was easy to love. I will always cherish the time I spent with my dear friend Callie. She hated me calling her Cal but i called her that alot I will always love her and she will always be part of my family even though we were not by blood. Her family will always be my family in my heart.
