“ I was privileged to meet Carl and Ken when came out to take care of Raymond. Such caring and generous people. I would see them at auctions and such and they always knew me and we would visit. My heart goes out to those left behind.

“ Daddy Dennis Atkinson always told me stories of Ken and him running and playing in the wide open spaces. A year or so ago while driving Dad around he told me to turn down a road to Aunt Babe and Uncle Raymond to go see Carl and Ken. So I did, and we surprised Carl, Ken and Bobby. Carl and Ken were great about visiting Dad and Mom at the nursing home and I was so thankful for them both. I feel like I knew Carl better than I did, because Mom would always tell me when they would drop by and visit. She loved visiting with Ken while Dad and Carl relived old times. I'll miss our visits and know you are enjoying those wide open spaces in heaven until we all get there with you.
