“ Teresa and Katherine, We just heard about the death and service of Carmelita this evening. (We being several of her patrons from the Brookside.) We all would have been at the service if we had known. Your mother often talked to me about how much she enjoyed going to the theater with you girls. ♦ She was a rascalion, but always lovely to me. ♦ The guys have hilarious memories of her, many of which included chastising from her. ♦ My personal memories are of her chatting about her family. ♦ She was rapid and quick to the laugh. ♦ I will remember her and I am sorry I was not there to show my respect. Sincerely,
Paula Hale
