“ *Darrel, Sandy and Kevin: We were surprised and saddened to read of Carol's death in this morning's Globe. Thanks to the internet, we've read and printed the obituary. We enjoyed all the pictures so much. Thanks for providing them. Judging from the ones at the end, it looked like she may have been sick for a while. Wish we knew in the pictures who the grandkids and greats were and who they belonged to. Darrel, when things settle down, why don't you take a road trip up this way for a visit. We'd love to see you, and any of the family who might want to tag along. You're in our thoughts and prayers. Dorothy & Dwight*
