“ *Glen, Kevin, Pam and family. My thoughts and prayers are with you at the death of Carol. Even though she had been sick for awhile it doesn't take the pain away. Words can't express my respect for Carol. She was so compassionate and caring. No matter what she was facing she always had a smile. She was the the hardest working person I will never know. In addition she was a great daughter. May God grant you his peace. Love, Marla*
