“ *My thoughts and prayers are with you during this difficult time. I became friends with Carolyn over 50 years ago. We were both working in Joplin MO. at the time. She always had a great smile and a wonderful sense of humor. When Carolyn married Charlie Bill and lived in Miami we were able to then became friends all over again, through Sacred Heart where we both attended. Karen Painter*

“ You will always be my tender, loving “Udder Mudder”. Your light was beautiful, You were there for me when my mother wasn’t and gently gave me strength and support, during a lonely and dark period of my life. You’re an angel, and I know I was “one purpose” you were meant to full fill in life. I pray I too, have a profound affect on someone as deeply as you’ve had on me, during my lifetime. Until I see you again, your loving “udder daughter”... Libby xo

“ Thank you for posting this. We stopped by her house and took her to a Saturday night music show about a year ago. We had a good visit since I had not seen her for years. I told her I would be back to visit and never got back over to her house. So this is quite a shock. I did not know she was so sick. So sorry for you girls. Carol Thornbrugh
