“ One of the best parts of being in a relationship with Jeremy was getting to know "grandma". She treated me like one of her own, even allowing me to live with them to continue attending school when my truck broke down and buying me grape juice when she went to the store, knowing it was my favorite. The world has lost a wonderful woman. Family will be in my thoughts and warm wishes of comfort to each and every one of them.

“ Dee Dee, I am so sorry for your loss of your mom. You and your family have been such a huge part of my life. For so many years when we were growing up I think I spent more time at your house than I did mine. Your mom was like my other mom. She was such a special person. She always had a smile for me, fed me, always made me feel like I just fit right in. She was a great mom and raised 3 great Kids! I will miss Her! May God watch over all of you at this difficult Time! I'm here if you need Me! Love you! Trisha
