“ I had the pleasure of knowing Pat for 41 years. She was my assistant manager at Arby's in Miami when I began working there in 1981. I learned a lot from Pat and we all had a lot of laughs when we worked together. I moved away from Miami years ago but whenever I was in town and ran into her we always had a few more laughs, hugs and share a few memories. I hate to brag but I think I was always one of her favorites.....I'll miss her! "JohnO" was the nickname she gave me, we had several guys named John working there over the years so Pat gave us all nicknames.
