

Charles H. Angle Jr.

June 14, 1932 - August 2, 2015

Dr. Charles Herbert Angle Jr. , longtime resident of Miami, Oklahoma, passed away Sunday, August 2, 2015 in Tulsa, Oklahoma after a brief illness. He was born June 14, 1932 to Emma Rose Angle and Charles H. Angle, Sr. in Midwest, Wyoming.

Charles married his high school sweetheart JoAnn Stubblefield on June 24, 1951. She preceded him in death on May 14, 2015.

He was preceded in death by his siblings, John Angle, Marguerite Angle Canada, and Mary Angle Brafford.

Surviving him are son and daughter in law, Larry and Cindy Angle, son and daughter in law, Herb and Alana Angle; three grandchildren Tim Angle and his partner Ross Tidwell, Elizabeth and her husband Gregory Stafford Sr., and Brittney Angle;

five great-grandchildren, Madisyn Bryant, Brooklyn Bryant, Natalie Stafford, Sydney Bryant and Gregory Stafford Jr., sister in law Shirley Robinson and her husband Bill; as well as many cousins, nieces and nephews.

At the age of 7, his family moved to Miami from Bernice when Grand Lake was formed. The choice to move to Miami was made by his Grandfather Rose, who had a third grade education, but always loved learning and wished

to instill that love for learning in his grandson. The college, Northeastern Oklahoma A&M, would play a significant role in his life educationally, professionally and personally.

After receiving his Associates Degree from NEO and Bachelors Degree from Pittsburgh State College he began his career in education as a Social Science teacher at Cherokee County Community High School in Columbus, Kansas. While teaching at Columbus he earned his Masters Degree from Pittsburgh State.

In 1957 Charles began a 35 year career with NEO College, as a teacher, Dean of Students, Vice President of Academic Affairs and Interim President. During this time he earned a Doctorate of Philosophy in Political Science from The University of Kansas. When reflecting upon his career he wrote, "I saw my relationship with students, faculty, and staff as that of a 'pastor' to them. How did I do? As a professor told me once, to really evaluate a teacher you would have to wait until their students live their lives and see how they have done. Then and only then could you have judged them."

Family was something he loved and took pride in. Whether it was camping trips, water skiing, or attending many events of his grandchildren and great grandchildren.

Once a Norseman, Always a Norseman.

“ *Larry, Herb and Families.
I was so saddened to hear of the loss of your Father so quickly after losing your Mom. They were wonderful people - always having a smile or a good word to say. I could never thank them enough to seeing to it that Scott was taken care of while attending NEO. He loved working with your Mom in the book store. My condolences to all of the family. May God Bless each and every one of you with wonderful memories of both.*

“ *Larry and Herb: My condolences on the passing of your dad, it has been difficult for me to stay in touch with current news in Miami and I also am saddened to understand your mother passed in May. Your parents were truly the model of kindness, compassion and caring to me, my mother and sister during my father's illness so many years ago. I know we were not the only recipients of this kindness as your parents touched countless lives both directly and indirectly with their involvement over the years at NEO and in the Miami community. They were unselfish in helping others and displayed the best examples of integrity and ethics in all their actions. I still remember your mothers "goulash" and your Dad coming down "C" street in the "blue goose". They were wonderful people and I feel fortunate to have grown up next door to them. “ Although I haven't stayed in contact, Charles Angle was a big influence in my life. He was my history and government teacher at my high school in Columbus, KS. Last saw him at our 50th class reunion but will always remember him. Jay Lacy

“ Larry & Herb, my sympathies to guys and your families. Wanted just to say hello and wow the C. Street family gets smaller and smaller. I remember your parents so well and your father had those cool Trainsets in the Attic. I can't make the service but my thoughts will be with you all. I also took Mr. Angle is Political Science at N.E.O. Loved the class. I retired from teaching Secondary Education this year." Joe Dunn

“ Larry and family,

You all have been in my prayers the last few days. I hope you are celebrating your father's wonderful life - from what I see he has run the race and run it well. The testimony to that is shown in the character of those he taught - you and other family members. Take the time to look up often as your dad will surely be looking down smiling. There is joy in everything - may God help you and your family recognize and embrace that joy.

“ My thoughts and prayers are with all of the family in this time of grief. Uncle Charles was an incredibly kind man, who made a huge difference in the lives he touched. Although it has been a very short time since the passing of Aunt Jo, I take great comfort in knowing that they are once again together, and with all of our loved ones who have passed before them. RIP Uncle Charles and Aunt Jo. Till we meet again...❤️

“ I worked for Dr. Angle while attending NEO from 1978-1980 and my sister worked for him the two years previous to that. He was wonderful to work for, very kind and patient with all the students who came in for advice. I have wonderful memories of my time there and still remember and find myself whistling the tune I would hear him whistle while he was at work. My thoughts and prayers to the family.

“ Angle & Canada family - our thoughts and prayers are with you. Charles & Jo were such a blessing to know and know as family. We have great memories of bringing our girls to spend time with them at the lake when they were small. I know the loss is deep but at the same time I'm so glad their time apart from one another was short and they have eternity together now. Lori, Danielle, Kristen & Jacob Onions, Shawnee, KS.
