“ How does one write a tribute and share memories after 66 plus years when a dear friend passes away? Chuck & Olive moved to Wichita from Oklahoma. Later Bill & I moved to Wichita. We became next door neighbors living in duplexes, We got together a lot-- playing cards, eating and enjoying each other's company. Later on, Chuck & Olive moved to Independence, Kansas. We didn't see each other too much then. Chuck & Olive moved to Fairland, Oklahoma. We moved to Grand Lake. Needless to say, we started getting together again--playing cards and eating, etc. Chuck and Bill enjoyed going fishing together, We were truly blessed to have shared this friendship for so many years. Our hearts are broken over the news of Chuck's passing. Hopefully we will all meet again in Heaven.
