“ *Uncle Charlie, you will be greatly missed. You married my Aunt Kathy when I was a little older so I didn't get to spend as much time with you...but, you were a good husband to my Aunt and dad to my cousins, Shanell & Mande, and that alone made me love and respect you. It breaks my heart to know you aren't here for them anymore but knowing you are in perfect health gives me - and all your family and friends peace.*

Where to start

Uncle Charlie was so funny he had a good out look on life . He was a Vietnam Veteran he seen thing nobody should have to see or do. He would walk home from the war from time to time , and we were so excited to see him he always had time to talk and play wih us kids, he was so much fun. I was so happy when he came home and stayed. Everybody loved this man. He was good kind and giving . He loved his family .He would give you the shirt off his back. Years later he meet an married Kathy Page the love of his life they had a great life and family together ❤️ he loved being a Husband Dad and Papa. He love to fish. He loved his grandchildren
I have so many memories I could go on and on. Rest in peace
Uncle Charlie we will see you again some day. Go live high with Jesus without out pain or sorrow. Just know you will be missed here on earth everyday. I'm sure Granny meet you at the gate. I remember you looking in the mirror and you would say , you are one good-looking man, and you were handsome inside and out.

“ I'll miss my sweet Uncle Charlie. I always enjoyed taking my grandma to visit with him and Kathy. I remember when he used to have a dog kennel. He was a big lover of dogs. They were his babies. When we would go visit him he would always brag on his grandkids. He was so proud of them. He loved his family so. My Uncle Charlie was a good man. I hope he pain free in heaven with my Granny.

We are all going to miss Charlie. May he be welcomed into the arms of Jesus.

My sister Kathy Page was blessed to be his wife and thankful that they had each other for so many years.

“ I was always Papas fishing buddy and little Peanut. I remember going fishing out by Shawnee Grocery and stopping at the gas station with him. He was so proud when I caught my first fish. If I ever needed anything he was there for me in a heartbeat. I’m so lucky to have grown up with the best grandpa. His last words to me were “Love you, bye bye” and I will remember that forever. I love you Papa. I’m happy you’re no longer in pain, and you don’t have to worry. ❤️

“ Dad I miss you so much I couldn't have asked for a better father. He married my mom when I was 12 , and from day one he treated my sister and I like we were his children. In every way that matters he was my father. In my eyes my dad was perfect, any time I needed help or just someone to talk to , he was there. No matter what time day or night if I needed something he was there . I wish I had told you how much you meant to me. You will be missed. I love you daddy .
