“ *I worked with Charlie at Eagle Picher years ago and I loved this man! He was such an example of what a Christian really should be. Such a great husband, father and a great friend. I'm so sorry to hear of his passing but oh, what a great time he's having in Heaven right now!*

“ Rhonda, words can't tell you how sorry I am. Your life has changed forever. I am available at 918 533 5524, day or night. I hope you'll call me when you just want to talk to someone who knows the depth of your grief. What a loss. We don't understand why such things happen but the best wisdom that I have is to embrace God's love and pray for him to help you with strength, courage, grace and dignity. And, it's even okay to get mad at him because he'll understand that too. He is your friend and will expect a full range of emotions. Please call me. Sue Stidham

“ I remember he always seemed to be smiling or on the verge of it. If I knew nothing else, I know his sons to be good men and that is all that I need to know. For the Pugh family I am sorry for your loss and will lift you in my prayers.
