“ I am so very sorry for your loss. I only knew Christi through online forums, but it was clear from all of her posts how much she loved her family and adored her children. My thoughts are with all of her family and friends at this difficult time.

“ Jae, Mikayla and Family, I am so sorry to hear about the loss of such a sweet lady. I met Christi for the first time when we went to Dance Olympus this summer, but I felt like I knew her longer than that. She was such a friendly Dance Mom and I truly enjoyed visiting with her during that trip. I can't imagine the loss you are feeling right now, but I wanted you to know that you all have been and will continue to be in my prayers. May God comfort you and give you peace with time.
Sincerely, Gina Womack (Big Keely's mom)

“ There are so many memories I have of Christi! We had so much fun and thankfully avoided so much trouble together. She was truly a genuine friend to me throughout junior high and high school. She had such a sweet spirit and a beautiful soul. She was spunky and smart! Even though we lost touch right after high school, she happen to follow me to my parents' house one night several years later and we talked for a long time catching up on life. We have talked occasionally on Facebook since then. She will be greatly missed by those who had the pleasure of knowing her. I know she will forever live in my wonderful memories. Love ya girl~ Jules

“ Christi, you were always such a good friend for so long. You were one of the first people I became friends with when I moved to Miami and quickly I became close to your whole family. Even as years came between us, we could pick up right where we left off. I will miss you, especially during dance times.....Mikayla will be a great addition to The Nutcracker this year, and I know you'll be watching from above. I'll look after Kim for you...I know you would want someone to, and your mom too! Rest peacefully dear friend. I'll see you again soon.

“ *Christi, We are so sorry that we didn't get to say goodbye, and incredibly sad that your young life was cut short. You were a beautiful and creative young woman (who was proud of her heritage); and inspired that creativity in your wonderful daughter. You were the perfect match for our nephew and an amazing mother. You will be missed.....
Much love to the family, Pat and Jerry*

“ *Christi was a sweet and loving friend through some of the most difficult times in my life. She was always there to listen, to offer comfort, and to make me laugh. She had a beautiful soul and I will never forget her. She shone so very brightly that I can only imagine the empty place now in the world of her family, and you all will be in my thoughts during this difficult time. <3*
