“ *We just saw in the Grove paper where Chris had passed. Needless to say we were both shocked and saddened. Such a great guy who did some great lawn and landscape work for us. He always took time to visit. Always had a fishing report. Great personality! Our thoughts and prayers are with the family. Jeff & Debbie Forgey*

“ *Our deepest sympathy to your family, especially to your mother and father, Charlene and Charles. I knew both when we were young and my aunt was Floy Bowen who married my uncle Cecil Swift. Felt like cousins to the Bowens and went to school with Glen Bowen. We will pray for your family for comfort from the Lord for all.*

“ I have many wonderful memories of Chris. He was my oldest sons best friend until death separated them on earth. He was my sons pallbearer. Some of the best memories of Chris was his singing and teaching everyone to dance in the living room. His humor always lit up our house. My condolences and love to his family and friends. He will be missed.
