“ My first time driving ever was in driver's ed. And I drove right up into someone's yard flattening their shrubs! Mr Price very calmly told me to put it in reverse and get us out of there before someone came out of that house! LOL I'll never forget the look on his face. He will be missed! He touched so many lives!!

“ I am so sorry to hear about Chuck. We will miss him through his passing but we know he is truly happy now sitting with Jesus laughing and having a good time. Paul even remembers him and his candies that he carried in his pocket. I thank him for the deeds that he did in this world that led so many people to the Lord.

“ Uncle Chuck always made me laugh. He would do all the things fun uncles are suppose to do like pull quarters out from behind your ear. LOL! He was real and genuine. The best holidays were always when the Price's where at Granny's. I love you all so much!!

What a lovely man!!! I first met him as my driver's ed teacher. Then I later became better acquainted with him & his family when I sang with a group in revivals at his church. God bless all of you. He is praising God in the highest.
