“ *Please accept my dearest sympathy to all Lavon's children, grandchildren, all family and friends. Even though I did not meet Lavon her spirit will live on in my niece Samantha's soul, from what my brother Mike has said about Lavonn is that he loved her and she was loved by so many like Shari and all her sisters, other family, and grandchildren. She seemed like a pretty nice spirited lady that will be missed by all of you. Thinking of all you today while you remember this Angel. She will be truly missed by everybody who had the pleasure of knowing her.*

RIP Lavon.

“ Well I'll be honest when I first meet lavonne 21yrs ago she did not like me and dang sure made sure I knew it. LOL but at that time I was best friends and runnin buddy's with booge and well we certainly wasnt living right. (But we was having fun) And at the time I think only Sam allen was the only member of the family that did like me. But after losing booge Shari and I grew grew very close and raised our kids together and I honestly was treated like pary of the family. Grew to love lavonne and Sam to pieces and will forever be family. I love you guys so much my heart is so torn, for lose to you all I pray for strength and healing for I know the void left. But for Booge and her momma and the peaceful bless of pictureing them together I have to smile
