“ I worked with "Bruster" as we called him, at Tinker AFB. He was a Contracting Officer who was involved in training me to become a contract negotiator. He was both knowledgeable and patient. The world needs more people like him. He will be missed.

“ Clarence has always been my Big Brother. He was loving, protective, kind, and all the good things a Big Brother should be. I can't remember a time when he was not there for me and all our family. Our loss is Heaven's gain, and the loved ones who are already there will be waiting. Oh, what a reunion. You will be missed so very much, but what wonderful memories you have left behind. I love you. Your Little Sis, Barbara

“ My fondest memory I have of Clarence was when mom and I went to go visit him and Lorraine when they lived in Midwest City. We were out in the garage and he gave me a couple knives and coins for my collections. As we were going through his stuff and he was telling me stories I found a tiny crutch - something that a child would use. I asked him what it was for and as he started telling me Lorraine walked out and yelled at him to "not tell me things like that".

“ Jerry,

Tom and I are so very sorry to hear about the loss of your father. I enjoyed each time I was around him. He had a great sense of humor. He also made you feel right at home. He was interested in knowing everything about you and then he would hand you one of his cards. I really enjoyed visiting with him. He was a fountain of knowledge and he enjoyed sharing it with you. He will be missed.
