He built a huge woodworking shop at their home and taught himself how to make beautiful furniture. He loved doing woodwork. He also loved fishing and

boating, he was never happier than when he was at the lake. He enjoyed music, especially old country music. He loved to go watch NEO College girls play soccer and softball, and even went to all their practices; he wouldn't have missed on if he knew about it. He was their unnamed ever faithful mascot!

Sonny had a sunny disposition and he lived to tease people. If you were around him for just a time or two, you would remember him for his beautiful smile and the twinkle in his eye when he knew you were onto him. You would have thought he was Irish! He will be sorely missed!
