“ *My grandmother was an amazing lady, with a heart that most christians should envy. I learned a great deal about being proper from her, but the one thing I learned the most from her was how to love the Lord. She will be truly missed, and although, finances will not allow me to be out there with the rest of the family my heart aches for all of you. Breanna she left us big shoes to fill, but I think we are well on our way. I love ya girl. To all three boys, my prayers are with you, I know you will miss her. Becky, what a great caregiver you are!!! Thank you. Joel & Donna I know you are going to miss her too and all the things she taught you. Grandfather, I am sorry you have lost your best friend, but it is only temporary. She is setting up house for the both of you. I love you all. Christopher and I so wish we could be there to mourn with you... We love you all.##imported-begin##Darci Watt Gilreath##imported-end##*

“ You made me giggle when I was little. You always made sure that I didn't have to eat any of that "yucky" stuff my Pa wanted me to. You admired my cartwheels. You gave me great hugs and let me put together puzzles in your living room. You always told me I was special. I always enjoyed seeing you because to me you were my special Aunt Claudie. I love you very much and I will miss you more than anyone could know.

Your Loving Niece.##imported-begin##Sylvia

“ Saddened by the loss of a great woman! But God has called her home for she is needed to comfort those that waited patiently for her splendid arrival at heavens gates. We will all miss the warmth and generous feelings that walked in her shadow here on earth and she will leave behind a great legacy that we will always remember in our hearts. God bless the family and comfort is also what she left behind just knowing her loved ones will reunite with her in heaven one day! I will forever keep you in my heart.

Love,
