“ We always had the best time in and out of school. Our lives took us different places. But losing a classmate is like losing a part of our family. You will be missed Curtis. Sleep with the Angels and be free.

“ Lives don't always go the way we think they should. Curt had a big heart and a kind soul. He could always be counted on to get into some type of mischief at school amusing us all. He made a bigger difference in this world than he ever realized. Will miss you Curtis. Rest well.
